## Profile

Cerritos College, founded in 1955, covers a 52-square-mile area of southeastern Los Angeles County in Norwalk. In 2007, the college launched a capital campaign to build the Southland/Cerritos Center for Transportation Technologies, a world-class automotive training center. As one of California's 10 advanced transportation centers, the college plans on establishing a new alternative fuels demonstration lab in response to the increased number of alternative vehicle fuel sales in the state. Cerritos College, named after Rancho Los Cerritos, a ranch that served prominently in the region in the 19th century, is a two-year institution offering associate degrees and various certificates or transfer credits, which can generally be applied toward the University of California and California State University systems.
