

# 2019 San Diego Continuing Education Student Success Scorecard

San Diego Continuing Education has been making history since 1914. We were one of the first community college continuing education institutions in California to meet the standards for independent accreditation from the Western Association of Schools and Colleges. San Diego Continuing Education is a multicultural institution dedicated to providing educational access and lifelong learning opportunities. Our commitment is to all students who come through our doors, without regard to their academic skill or life's challenges, offering innovative, high quality instruction and student support services. We believe that people have the capacity to change and that education can positively transform individuals, enriching their lives and contributing to our community.
