

2019 Norco College Student Success Scorecard

Norco College opened to students in 1991 in Norco as part of the Riverside Community College District. The college is well known for its engineering and technology-based education curriculum. The 141-acre campus is beginning its third phase of expansion since opening in 1991 to accommodate the growing population. Norco's mission statement is to provide educational programs, services, and learning environments for a diverse community. Students are equipped with the knowledge and skills to attain their goals in higher, career/technical, and continuing education; workforce development; and personal enrichment.
